Analyzing a Famous Speech

Speaker:

Title of speech:

1. Read the context of the speech and explain:

- who was the speaker?
- what was the time/place/occasion?
- what was the speaker's goal?

2. While you read, annotate the printout to identify:

- appeals to pathos, logos, and ethos (identify which one)
- central message
- elements that back up the central message

3. After you read, reflect: Was the speaker effective in delivering their message? Why or why not?
