OTHER RESEARCH METHODS AND SOURCES

- Google the smart way
 - Use Google Books or Google Scholar, rather than a regular Google web search
- Goduckgo.com
 - A search engine like Google, but without as many ads
- Sweetsearch.com
 - This database only pulls from 35,000 vetted sites, so the info is more reliable
- News sources – though consider possible biases
 - thedailybest.com
 - wired.com
 - salon.com
 - bloomberg.com
 - sciencedaily.com
 - ted.com
 - major newspapers, including New York Times, LA Times, Chicago Sun Times
 - major periodicals, including Time, Newsweek, Christian Science Monitor
